About MSU

Maa Shakumbhari University (MSU) is a state university located in Punwarka, Saharanpur, Uttar Pradesh, India, established under the Uttar Pradesh State Universities Act, 2019, and inaugurated in December 2021. The University takes its name from the goddess Shakumbhari Devi, whose ancient temple, one of India's principal Shakti Peeths, lies in the Shivalik hills North of Saharanpur. A UGC-approved state University, it offers undergraduate, postgraduate, and doctoral programmes through campus and colleges affiliated across the Saharanpur, Muzaffarnagar, and Shamli districts of Uttar Pradesh.

About SAGENS

Society for AgroEnvironmental Sustainability (SAGENS) is a not-for-profit organization registered in Dehradun under the Societies Registration Act, 1860 of India. SAGENS works for the conservation of natural resources and the environment with a focus on agro-environmental sustainability, collaborating with other organizations and stakeholders to identify, develop, and implement projects that improve the environment and natural resources. SAGENS also promotes sustainable agricultural practices, fosters rural development, and works to protect the environment from degradation.
